Decision on the Mandate of the Ad Hoc Committee on Chemical Weapons

(Adopted by the Conference at its 596th plenary meeting on 20 June 1991)

The Conference on Disarmament, referring to its decision of 14 February 1991 on the re-establishment of the Ad Hoc Committee on Chemical Weapons (CD/1058), decides to further mandate this Committee to intensify, as a priority task, the negotiations on a multilateral convention on the complete and effective prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction with the view to striving to achieve a final agreement on the Convention by 1992. A report on the progress of the negotiations, should be recorded in the report which this Ad Hoc Committee will submit to the Conference at the end of the third part of its 1991 session.
